

Challenger Sports Camps

This summer, we will be hosting a "British Soccer Camp" in cooperation with Challenger Sports, the largest soccer camp operator in the U.S. and Canada.

The organization provides secure online registration and offers some nice free gifts as incentive for signing up early.

Here is a brief description of the camp:

British Soccer Camps provide young players with the rare opportunity to receive high-level soccer coaching from a team of international experts right in the heart of their own community. Each British Soccer Camp provides players of all ages and abilities the appropriate program and level of curriculum.

Each day includes individual foot skills, technical drills, tactical practices, small-sided games, coached scrimmages, and a daily tournament. Equally important, the Challenger coaching staff provides your child with lessons in self-discipline, good sportsmanship and respect for others and for the game.

With each week-long camp, your child will get a Challenger soccer ball, camp shirt and camp award. Plus, a camp certificate, daily individual skill development, coached scrimmages, daily World Cup Tournament, daily Camp break activities, and a graduation party.
